

Hillsborough Middle School Literacy Department

May 2020

Dear Students and Parents/Guardians,

Reading is a lifelong skill that needs to be nurtured and practiced regularly. What better way to do this than to enjoy a few great books on summer vacation!

All incoming seventh- and eighth-grade students will be required to read one book from our list of board-approved selections.

In addition, students will be required to complete the Summer Reading Graphic Organizer, an assignment designed to develop students' critical reading skills. In addition, students will be allowed to use the organizer on an assessment to be given in September. The assignment is linked here and will be available on the school website.

If you have any questions, please direct them to Sheila Cooper, the district's English Language Arts supervisor, at scooper@https.us.

Have a terrific, well-rested, and **well-read** summer!

Sincerely,
Joseph Trybulski
HMS Principal

Seventh- and Eighth-Grade Literacy Teachers
