

A.P. LIT. SUMMER READING LIST – 2019

Please complete the following readings and writings before returning in September.

READ:

- *Their Eyes Were Watching God*--Zora Neale Hurston
- *The Handmaid's Tale*--Margaret Atwood

WRITE:

Keep an informal Reading Log for each of the pieces. Include notes that go beyond plot summary and character lists. Have a conversation with the author. Focus on what each author reveals about the human condition or experience with an emphasis on the female perspective. This will be a valuable resource for you once the course work begins in September.

IN ADDITION:

*Be prepared to be formally (quizzes, reading logs, forums, essays) and informally (class discussions) assessed upon returning to school according to your individual teacher's designs.

Happy reading and enjoy the summer,
HHS English Department
