SEPAC Meetings

Special Education Parent Advisory Committee (SEPAC) meetings are required for all school districts in New Jersey. New Jersey Administrative Code 6A:14-1.2(h) states that:

“Each district board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities.”

Mission

The mission of the Hillsborough Special Education Parent Advisory Committee is to facilitate communication between parents, staff, the Board of Education, and the community regarding the district’s special education programs, to provide families with meaningful support, education and information and to provide input to the District on issues concerning students with disabilities.
